Description: #75092 AMBITION Bone Marrow Typing Drive

Job Start: AUG 25 08
Job End: AUG 25 08
Our Job #: 084571-1

Status: Tentative Order
Job Total: \$ 3,166.92
Terms: Upon Receipt
Pages:

THIS IS AN ESTIMATE OF THE REQUESTED SERVICE.

These prices are based on information supplied to date. You will be billed actual costs which may vary from this estimate.

Any changes or deviations from this estimate may result in a change in the actual costs which become the sole responsibility of the group, organization, or persons named above.

CONTINGENCY:

There is a 20% contingency factored into your overall estimate to cover additions to equipment/labor needs. Should any of the contingency not be utilized the proper dollar amount will be reflected at time of billing.

LIABILITY:

You are responsible for the equipment provided by us. Please ensure the equipment is used properly and held securely. You will incur a charge for the full replacement cost of equipment lost, damaged, or otherwise altered. Your Stanford Departmental account will be used for these costs.

DEPOSITS:

An additional \$30 deposit is required for non University accounts in the form of cash, check, or credit card number. Your deposit is returned on the safe, on-time return of the equipment.

CONFIRM THIS JOB:

Please respond by email to events@bonair.stanford.edu to accept this job. You may also sign and fax back this cover sheet to accept: 650-723-9315.
