Sincerely,
MOHANNED TARIQ MAHMOUD

Dear Hiring Manager

As (**Recruitment**) I am writing to apply for the **IOS software Developer** position advertised in the requested, I am enclosing a completed job application, my certification, my resume. I am very excited to hear of your available IOS Developer position, I am sure you have received many other candidates for this role, so let me present myself.

My name is **MOHANNED TARIQ MAHMOUD** I studied Computer science and finished my bachelor's degree in 2014. I'm an enthusiast mobile developer who enjoys the challenges of working I hope to develop and maintain the core functional logic and operations of a software application, Meeting the deadlines while solving the issues is the real challenge for me, I'm constantly sharpening my skills through discovering what's new in the Software industry and Following the footsteps of the great developers who make those outstanding apps and make a great contribution to this technology and that is mainly my goal. With over 10 mobile applications developed and designed UI by me.

Also, I have strong knowledge in UX and UI colors with certificates at this field. my eye for software craftsmanship by writing very clean, testable, maintainable code and also managing memory and resources for the best performance. I love my career have great motivation to learn new skills, self & fast learner, Self-motivated, and able to work in any team or alone if needed. Have the ability to interact and collaborate with my team members. Ambitious to learn and gain more experience. Therefore, I think that my experience makes me an excellent match for the unique demands of this opportunity. I have a passion for pushing mobile technologies to the limit and have experience with a wide variety of IOS devices resolutions Pods, Design Patterns, and SDKs. Given my background in developing application solutions and talent for creating aesthetically pleasing and highly functional mobile applications, I feel I am in a great position to make a positive impact with your Company. I am highly interested in the kind of work your company is involved in and I firmly believe that if one's hobby is converted into a profession then no one can be left behind in climbing the success ladder.

Thank you for your time and considering

I look forward to speaking with you about this employment opportunity and would be to work together very soon
